

Cochise Stronghold, A Canyon Nature Retreat - Supper Provisioning

Many of our guests wish to enjoy meals here in the Canyon. We enjoy being a very small, exclusive and quiet business and do not have a "restaurant license". We provide provisions for memorable, easy meals that you can enjoy either in the comfort of your accommodations or in the majesty of *nature extraordinaire*. You arrive to a fully stocked pantry with no further cares and we are available for advice or further help.

As we are a remote, wilderness destination, we normally maintain well-stocked food supplies. With sufficient **advance notice** we are able to provide a wide variety of entrees. Some of these items may be on hand at any given time for **short notice provisioning**, but the choices might be limited and/or unpredictable, so arrangements ahead of time are preferable. Please let us know if you have any special dietary needs or concerns.

We are happy to support you in the finest of informal dining pleasures, including BBQs on your private porch as you breathe in the spectacular beauty of the mountain views.

BBQ - "Stronghold Select"

Grill your choice of a wild Alaskan salmon filet, chicken breast that has marinated using our special recipes, or New York Strip steak. Vegetarian entrees are also available. Served with your choice of red nugget potatoes or a wild rice pilaf with garden fresh herbs, and salad greens. Your choice of dessert*.

\$50 for 2

****Desserts***

For dessert choose either sorbet or gourmet ice cream, a slice of chocolate ganache cake or New York style cheesecake served with fruit.

Sorbet flavors: mango, lemon, raspberry

Gourmet ice cream flavors: vanilla, strawberry, and various chocolate varieties.

If for example you ordered steaks or salmon with rice pilaf, salad and ice cream. We would bring the large NY strip top quality steaks or Wild Alaskan Sockeye Salmon filets (all shrink wrapped) to your refrigerator for you to grill on the propane BBQ at your back patio. The rice pilaf would be put in a rice cooker with all the herbs, and other ingredients – to cook you would only need push the button on the cooker. Salad fixings would be in the refrigerator with your choice(s) of dressing and a new pint of ice cream in the freezer ready for you to dish out.

In other words, we make it easy for you to have a great meal. We can also put together vegetarian entrees based on seasonal and locally available ingredients.
